

1. How far in advance do you like to have finished your preparation for a lab? The night before, two days before, or more?

We would like to have the prelab finished by every **Sunday night**.

2. How do you like to interact with a partner - in person, online, or a mixture?

In person

3. What is your personal approach to resolving disagreements - for example, do you prefer to raise issues in person, or by email/message? Are you unlikely to bring up issues because you don't like conflict, or do you like to discuss issues as soon as they arise, or something in between?

Like to discuss issues as soon as they arise
